

# Summer Bible Reading Plan

Read the New Testament this summer in about 10 minutes a day.

## Summer Reading Tips

*Use Daylight:* You wake up earlier in the summer and stay up later. Use that "extra" time to read.

*Scatter Bibles:* Put one in the car, at work, and in your pack so you can read anytime.

*Plan Catch Up Time:* You won't read every single day. When is the weekly time you will get caught up?

*Journal:* Nothing fancy. Just write one discovery or question each day.
